The Port Tobacco (Md.) Tower, of the 24th nit., contains the following notice of an acci-

to learn the fate of relatives who were to the

dent which occurred near that place: Just as we are going to press, we learn that on Tuesday last, while some of the soldiers atsched to the regiment stationed at Budd's Pery were examining a bomb shell which had est thrown across the river by the Confederare hattery on the opposite side, an explosion took place, caused by efforts to get out the powdec. The damage was, we learn, considerable Some nine or ten men were wounded, one o when has since died, and two others likely to die. The tents and surroundings. were pretty much demolished. The Confede sie bailery must have very heavy gum, and found at least one and a quarter miles from the

The New Albany (Ind.) Ledger of Saturday evening says: The steamer Grey Eagle brought to Louisville this morning as a prisoner a young man named Holt, a nephew of the Hon. Joseph Holt, an officer in the rebel army. He was out on a recommisering expedition from Bowing Green, when captured. He says he would rather he shot than sent to Fort Lafayette.

Coming Revulsion in Europe. Under this head the New York Herald, of the

While nit., has the following : When we take a survey of the present cond. can of the European contains we can well un-nerstand the anxiety and perplexity manifester by their rulers. Never at any time in their hisshutting up of the southern ports has, by cutrice, thrown was numbers of hands out of om-ployment in England, while in France it has an-cision made. provided one of the most important branches of government revenue. There are in round numbers about five millions of people in England dependent, in one way or other, on cotton manuscript of the court manuscript of these are the following manuscript of the court manuscr houstion of the stock of cotton on hand compels them to stop altogether? And to aggravate the enhancements that are those crowding upon the British and Franch communities, there are the forther facts of the decline of their exports to America to nearly one-half their usual amount, and the necessity of their supplying the falling off in their grain crops by the importation of his property of the court issuing any off in their grain crops by the importation of his property of the court issuing any literature. It is should have been written by triah Heep, it is so "very umble," and so bitterly vindictive. It begins by dispute fact, continue to flow into this country. disturbing their financial and banking relations with each other, and causing a prostration of

of the South they would the sooner bring the war to an end, will contribute to complicate They will have carned our ill will without having made any progress toward the attainment of time for the answer. Especially will England reap |- glad to find the moral support and assistance | period hal she will have forfeited by her inconsistent | Mr.

We learn from reliable parties that the Southern Pacific rallroad is now graded from Jones-ville to the Louisiana line, at the termions of the Vicksburg, Shreveport and Texas railroad. The Southern Pacific company are very anxions to make a connection with us, and many of the company are willing to take up the track to the lake and loan it to us to lay our track through this parish. We feel confident that an arrangement could be made which would prove eventuprising prosident take this matter under consideration, and give us the benefit of the investment we have made?

aulte in laying the track.

THE FLORIDA COAST .- The Savannah Republican, of the lat inst, speaking of the efforts of Mr. A. Canova to procure arms, says : Our Florida friends will be pleased to know that he has succeeded, to a reasonable extent. A red-nosed gentieman asked a wit whether difficult times. They will soon realize the fruits difficult times. They will soon realize the fruits be believed in spirits. "Aye, sir," replied he, constituted labors in formidable engines of war plan tell in the face, "I see too much looking him full in the face, "I see too much tell and the proofs. Their reduced sizes and the proofs. Their reduced sizes and the proofs. ted along their coast.

A MILITARY DESPOTISH. Courts of Justice Powerless in the North. Lincolndom is fast being shackled by the des-

otic powers that are at the head of affairs. The tendency is evident, the result inevitable. A lamentable submission characterizes the ponlast of the people, while their rulers embrace every opportunity to five still tighter the chains or hon-lage. Among other instances which we might refer

s, as demonstrating the progress of the military power at the North, is the following report of a indicial proceeding before the United States ourt for the southern district of Ohio. We take the statement from a late number of the incinnati Essuirez

seven or eight of the wealthiest and most respectable citizens of Maywille, were seized by order of Brigadier-General Nelson, a few days since, and at once sent to Cincinnati, where they were handed over to the cure of General confident advocates of slavery. It must be re-Mitchell, commanding the Federal forces at that collected that the natural impulses of the world lace, by whom they were detained as political are against slavery. ffenders. A writ of bubous corpus was issued by Judge Leavist, on the application of Hon-George E. Pugh, and served on Gen Mitchell, who refused to respect it. On the application of Mr. Pugh, the court issued a rule sgainst

On the part of the respondent, T. G. Mitchell ligent English and Frenchmen feel that they appeared and replied that it was not fully established and promulgated erronsons views. ers in his custody. He also urged at a reason opposite. When I first went to Paris, at the end why the present proceedings should be stayed, of July, it may be said that every newspaper his, there is a feet begun on Willert's Point, in that it is the intention of Gen. Mitchell to start was against us some negatively-and others

scala, and in the Red giver of the North, as code to their conviction and punishment; but a rell as at Pike's Peak. The product of Australia, and of the Unit mountains, continues and the delay of justice by high-handed measurements. The immense annual addition to trees. He concluded an exceedingly eloquent trees. He concluded an exceedingly eloquent pamphic.

A great difficulty, however, lies in the fact appeal to the Court by requiring that the case should be determined early the next morning.

'Judge Leavitt said that he would do nothing omitted to provide the commissioners a penny although it is a paramount consideration that the ends of justice must be fulfilled. He ac-

> a visit in private to that celebrated spot. A red-noted gentleman asked a wit whether article discouraging to the Union cause an

MEMPHIS, FRIDAY, NOVEMBER 8, 1861. AN OPINION FROM EUROPE.

A letter from London to the Richmond Dis and, duted October 1st, has the following: General public opinion here is very favorable to us. Every interest of John Bull induces him side with us in the contest. His keen tradustiners have long since smalled up the fachas in the absence condition of matters. America, a southern demand for sixty or seven million pounds sterling is about to drop like ripened pear into the lap of his tradesman. There is only one difficulty. For the last thirty or forty years he has been howling repentance wer his former misdeeds in forcing slavery upon the colonies, and afterwards in supplying them, and has been playing the role of abolitionism generally to a terrific extent. He would now ike all this to cease, perhaps because he thinks he has repeated long enough to make juil atone-ment, or because it don't pay. No singer was ever more ready to be converted than be. He simply wants the "true word" on this subject The Hon R II Stanton, six years a representative in Congress from Kentucky, and at preached to him to turn a willing ear. For this the time of his arrest. Commonwealth's attorney purpose a weekly paper will probably soon be for the judicial district in which he resides, and started, in which the whole subject will be pre-

It must be remembered, too, that the Englis views of the instruction are drawn from West Inlia, which exaggerated a humbred fold the wors features of slavery, and presented none of the humanizing and christianizing features that NEW YORK HARBOR DEFENSES.—The system of defense which has been adopted for New York harbor, taking in all the works, old as and as now, will include, when complete, four-them in a Cincinnati Enquirer, which has fallen by the horns, how much more so does it seem necessary here. The more reflecting and intel- Scott, and is full of Union men. It is chiefly shed that the general had the aforesaid prison- but few done assume the task of teaching the remorrow (this morning) for the purpose of not only positively, but bitterly. Suon after placing himself at the head of the troops in three brochures—one by Hon. T. Butler King, Kentucky, and upon national necessity he asked one by Judge Pequet, (whose charming lady, that his duty shall not be vexitiously impeded. by the way, was from Richmond,) and a third A postponement was in consequence demanded by M. Ernest Bellot des Minieres-made their for the space of two or three weeks.

It was also claimed on behalf of Gen. Mitchell that at the time the stummons was served upon him he did not actually know that it was a writ invorable criticisms upon M. Bellot's pamphlet. I certainly never saw a more strongly marked "The Hon George E. Pugh, as counsel for the prisoners, replied. He maintained that his clients were held in custody without a shadow of a tangible charge. If they were guilty, let it he proven, and he for one would cheerfully no sense Views of the American War and American Common Sense Views of the American War and War a cede to their conviction and punishment; but can Slavery," is ready for the printer, and will

omitted to provide the commissioners a penny o impede the course of the military authorities. wherewithal to provide the means of thus reaching the English ear, and the whole expense has to be borne by individuals. In view of the fact CROPS IN NEW EXCLAND.—The Boston cordingly would issue a rule returnable at 10 that the English government seill sot act against public opinion, and that this opinion is not yet ripened for us. this omission certainly seems a drange one. In the revolutionary struggle, 1) \$200,000 secret service money allowed them: In the meantime, the prisoners, holding them- but here, when the promised good is so much may order, elves ready to appear in court and demonstrate more manifest, and with resources so much superior to the "colonies" at that time, our comnext day—the leth—the case was called again. Injesioners have nothing. Had public opinion northern government better than any general have followed, which, coming mamediately alle statement possibly could. It will be seen that the disaster of Bull Run would have disposed he court confessed its impotence, saying it felt as we think—the Federal government to a seluctant to issue an order which it knew would peaceable settlement. If the effect of this effort not be respected—that "he," the judge, "felt nu- had only been to have brought peace one day certain as to the propriety of the court issuing any more" [writs of habeas curpus] "with the certainty that they would be resisted, for in countries and the court issuing any more and they would be resisted, for in countries and they would be resisted.
